WORKING GROUP ON ACCESSIBILITY
Stockholm, Monday 7 October 2002

AGENDA

9.30-11.30 Presentation of the policies of the county of Stockholm in terms of accessibility of public transport networks
- Björn Dalborg, Senior Advisor at SL
- Göran Ståldal, responsible for the accessibility planning at SL

11.30-13.30 Technical visit and lunch

13.30-15.00 Presentation of the Swedish strategy and achievements in terms of improvement of accessibility of public transport networks
The issue of rail systems
- Annika Olsson, manager of the “door-to-door” project at the National Transit Agency Rikstrafiken
- Suzanne Fahlgren, Banverket (National Rail Administration)

15.00-16.30 Meeting with the consultant selected to carry out the survey on information of people with reduced mobility in the field of public transport

16.30 End of meeting
Venue of the meeting:
Storstockholms Lokaltrafik
Arenavägen 27 (Metro station: Gullmarsplan on the green metro line)
12086 Stockholm

T : + 46 8 686 14 30
F : + 46 8 686 15 03

To reach SL’s offices:

- from the city centre: green metro line (about 10’)

- from the airport: reach central station by airport train (every 15’, trip takes 20’) or by airport coach (trip takes 40’, much cheaper than airport train). Then take metro green line southwards to Gullmarsplan (one train every 2’, trip takes 10’)
